## Workshop Topics

---

### ❖ Suicide Prevention Strategies

- 3 Day Workshop
- 1 Day Workshop
- All Ages

Addressing Suicide as a community issue, this workshop aims at educating the public so that the average person can help those in need.

### ❖ Know the Warning Signs

- 1 Day Workshop
- Youth

This workshop is aimed at youth, to help educate and create atmospheres of trust. Too often a youth is aware of those that intend to self-harm, but are unable to help due to limited skills.

### ❖ Intervention Techniques

- 1 Day Workshop
- Professionals
- Volunteer Helpers

This workshop will help understand methods and tactics for intervention. With demonstrations and roll plays the participants will be able to practice essential helping skills. The issue of self-care is addressed.

## Workshop Topics

---

### ❖ Keeping Safe

- 1 Day Workshop
- Motivational Speaking
- Youth

A general safety workshop aimed at youth. This workshop dispels myths and provides basic skills for youth to help get them through tough times.

### ❖ A Community Response

- 3 Day Workshop
- All Ages

A workshop intended for the whole community. We discuss strategies for prevention, intervention techniques and self-care for those involved.

### ❖ Surviving Suicide and making life changes

- 3 Day Workshop
- All Ages

This Intensive workshop will help a community deal with tragedy. We will discuss the emotions around suicide and how to deal with the aftermath. We encourage participants to make positive life changes.
